This is one of a series of *Guidelines* that are offered as a resource for Baptist ministers and churches. They have been prepared by the Legal and Operations Team and are, of necessity, intended only to give very general advice in relation to the topics covered. These guidelines should not be relied upon as a substitute for obtaining specific and more detailed advice in relation to a particular matter.

The staff in the Legal and Operations Team at Baptist House (or your regional Trust Company) will be very pleased to answer your queries and help in any way possible. It helps us to respond as efficiently as possible to the many churches in trust with us if you write to us and set out your enquiry as simply as possible.

The Legal and Operations Team also support churches that are in trust with the East Midland Baptist Trust Company Limited.

**If your holding trustees are one of the other Baptist Trust Corporations you must contact your own Trust Corporation for further advice. A list of contact details is provided above. If you have private trustees they too should be consulted as appropriate.**
