This is one of a series of *Guidelines* that are offered as a resource for Baptist ministers, Treasurers, and Baptist churches. They have been prepared by the Finance Team and are, of necessity, intended only to give very general advice in relation to the topics covered. These guidelines should not be relied upon as a substitute for obtaining specific and more detailed advice in relation to a particular matter.

The staff in the Finance Team at Baptist House will be very pleased to answer your queries and help in any way possible. It helps us to respond efficiently if you email your enquiry as simply as possible.
