

Update: April 2020

Dear Friends

Welcome to this month's Update full of news and resources for your church.

Much has changed in our nation, communities and churches since we sent you our March Update - events have been cancelled and we are all adjusting to a new way of being church in these days of restrictions and uncertainty. Whilst many have been able to use new ways of keeping in touch online, we recognise that for others in our churches these technologies are not readily available and we need to consider how best to support them during these times of isolation.

If you have not already heard about them, could we encourage to you share our [prayer broadcast link](#) with those in your church who have access to our website? These are taking place on Wednesday and Sunday evenings at 7pm and are a great way of praying together as Baptists Together. Lynn Green has been leading these with other guests, and we'd love to have more churches joining in prayer at this time. Please use the link to our Prayer Broadcasts to join us live, or to use the recordings to pray later.

Baptist Union Presidency Election

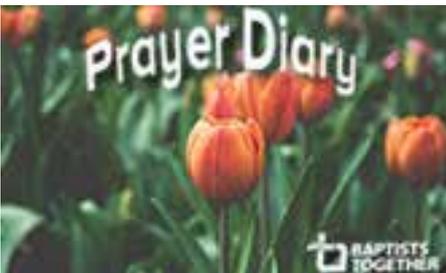

The election to discern our next President 2021-22 after Yinka Oyekan has now closed. Thank you to everyone who took part in this process, particularly as we are aware that the current circumstances have meant that churches may not have been able to discern together in quite the same ways as they would usually have done so. An announcement of the result will be made soon.

Joint Public Issues Team conference

On Saturday 7 March, JPIT's National Conference 'Renewal and Rebellion: Faith, Economy and Climate' took place in Derby. Over 300 people creatively explored our response to the climate crisis, and how the economy has a part to play in our impact on creation. [Resources from the day are now available](#) on the JPIT website and for those unable to be there on the day, you can catch up using the video and audio recordings. Easter Resources

We are aware that journeying together through Holy Week and our Easter celebrations this year will be somewhat different to usual. There is a lot of material available for churches, and we are collating [links to these resources](#) on our website. If you are planning something different or have come across some other resources you'd like to share with us, please get in touch with the Faith and Society Team at faithandsociety@baptist.org.uk.

Prayer and reflections

As churches are no longer able to gather together physically, we want to encourage and help people to pray. As well as our [prayer broadcasts](#) at 7pm on Wednesdays and Sundays, we also have a section on our website with [prayers and reflections](#) to help you through these difficult times.

Financial Support Scheme

Many member churches are already seeing an impact on their finances from the Coronavirus emergency, particularly those who rely on income from cash collections in services, room hire, nurseries or coffee shops. To ensure that churches are financially supported through the crisis, the trustees of the Baptist Union and Baptist Union Corporation have agreed a package of measures to support our churches. [Please see our website for details.](#)

The Guide for Churches as Employers

The last few weeks have seen enormous changes to the life of local church communities. Alongside many of the challenges church leaders face, we are aware that there are concerns regarding on-going operations of the church. [This new guide for employers](#) from our HR Specialist Team helps address some of the issues and helps you negotiate the Government's guidance.

Resources for Children, Young People and Families

Many organisations and churches are providing additional resources for families and churches to use at this time. We are compiling links to help you find out more about some of the [information and resources available](#). If you are aware of other valuable resources you'd like to share with us, please get in touch with the Faith and Society Team at faithandsociety@baptist.org.uk.

Guidance for Foodbanks

We are aware that a number of our churches host foodbanks or other services for vulnerable people. The Government guidelines state they may remain open as their work qualifies them as key workers caring for the vulnerable. Click here to [find out more about what this means in practice](#).

Tour of the Bible with Helen Paynter

The Revd Dr Helen Paynter, Tutor at Bristol Baptist College, is using her time at home to develop a daily vlog. She is taking a tour through the Bible and you are invited to join her. Each vlog is [hosted on our YouTube channel](#) and shared on social media.

Blessing from Jonathan Veira
