

Prayer for Ukraine

One Year Since the Invasion

“The LORD is close to the broken hearted and saves those who are crushed in spirit” (Psalm 34:18)

- Lord, we pray for a just peace for Ukraine. We ask that you protect all those who are fighting to defend Ukraine from the illegal invaders
- We ask that you give doctors and nurses and all health care professionals wisdom and skill and a new strength
- We ask that you protect those civilians in Ukraine fighting to restore basic services such as electricity, transport, water and food supplies
- We ask that you protect those who feed the hungry, those who offer shelter to those who have lost their homes, those who give water to the thirsty and those who comfort the distressed
- We remember all those who have lost loved ones - mothers, fathers, brothers, sisters, children, widows and orphans
- We lift up to you all the vulnerable - the injured and wounded, people with disabilities, the elderly and all those who are anxious or in despair

- We pray for all those who are deceived by lies: that their eyes and ears will be opened to the truth

Lord, may your spirit of love, joy, peace and kindness overcome the hatred and lies which characterise this war. Most of all, we pray that this war would end soon. To us this seems impossible, but you are the creator of heaven and earth, and nothing is impossible with you.

We ask this in the name of Jesus and we all say Amen.
