

Enabling women to prepare for ministerial training so they can engage and flourish as Ministers in Training

PATTERNS emerge

GOD
WILL PROVIDE

FINANCE

“PREPARED”
MY FINANCIAL SITUATION WAS for my entire studies
I RELIED ON OVERDRAFTS
I USE THE FOODBANK
UNSUPPORTED
additional loans

COLLEGE could have been more HONEST about POTHOLES

FINANCE SEMINAR

at this point they have already moved into a MANSE

I am always having to find money

I wish I had known STUDENT LOANS do not cover ministerial formation costs

“YOUR TRAINING IS NOT OUR RESPONSIBILITY” (Home church)

Students focussed on “GETTING IN”
They don't see the link to finances

CREDIT CHECKS STOPPED in 2013/14

BRING IT BACK

10p a mile!?

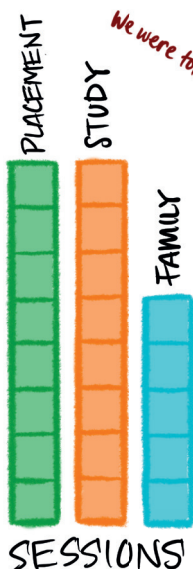

my first year placement was NON STIPEND my family had no INCOME

TIME & FAMILY

stipend survive church hursary back money wash how only home this
because full tight wife able finance loan mile find cover support
know out our part mean wish need will think child fund god just off
some also take after use come grant no fee can okay first travel
difficulty own didn't but use expenditure especially financial financially up cost
train very feel saving income financial financially up cost
family than expect make job difficult time struggle
limit start year with enough there live placement then
through student pay

HELPFUL SUPPORT to make family time a priority

Take your REST DAY

BUT NO REAL 'HOW TO' BUT NO REAL 'HOW TO' BUT NO REAL 'HOW TO' was an issue

HELPED ME SET EXPECTATIONS of my PLACEMENT

Deadlines stayed the same... NO SUPPORT

UTTERLY OVERWHELMED
