

# The Adventure (We will follow)

*Andy Flannagan*

## INTRO

|: G | D | Em | C :|

## VERSE

G D Em C  
 You crossed the borders to touch lepers' hands  
 G D Em C  
 You brought the outsiders in  
 G D Em C  
 You spoke the truth though it cost you some fans  
 G D C  
 You called complacency sin

## PRE-CHORUS

Am G/B C D  
 This is not easy, this is not safe  
 Am G/B C D  
 This is life in all its fullness

## CHORUS

G  
 We will follow you where you lead  
 D/F#  
 Even if the path is steep  
 Em  
 The adventure is where you are  
 C A  
 You draw us near but take us far  
 G  
 We will risk our very lives  
 D/F#  
 To attain the lasting prize  
 Em  
 We will trek the trails untrod  
 C D C  
 In pursuit of you, our pioneering God

## VERSE

You made a friend of the loveless and poor  
 You broke God out of the shrine  
 You became flesh and you moved in next door  
 You turned the water to wine

## VERSE

You call us out of our comfortable lives  
 From the mirage of control  
 Safety retreats as your kingdom arrives  
 Peace making everything whole

**Additional/Alternative verses:**

**You turned the tables on mammon and greed  
You challenged 'powers-that-be'  
You shared a table with sworn enemies  
You set the demonised free**

**This is not easy, this is not safe  
This is life in all its fullness...**

**You counted life as a thing to hold light  
You showed us sacrifice  
You showed a new way to fight the good fight  
Paying the ultimate price**

**This is not ending, this defeats death  
This is life in all its fullness...**
